THE INDIAN TRAVEL MARKET

According to an outbound tourism report compiled by Nangia Anderson, India's outbound tourism market size in 2022 was estimated to be USD 15 billion, which is projected to rise by 11.4% CAGR between 2022 and 2032 and reach USD 44 billion.

India's impressive rebound as a source market for outbound travel in Asia and Europe is a positive sign for the tourism industry, indicating a growing demand for travel.
